PROFESSIONAL SUMMARY

I am a motivated BTech student specializing in Data Science at Lakshmi Narain College of Technology Excellence . I am eager to apply my knowledge to real-world challenges. My passion lies in the field of data science and Machine Learning.

PROJECTS

EXAM SCORE ANALYSIS

<https://mlprojects-Oo1y.onrender.com/>
<https://mlprojects-Oo1y.onrender.com/predictdata>

A machine learning model to predict student exam performance based on factors like gender, ethnicity, and parental education. Utilized Python and Scikit-learn for data analysis, model building, and evaluation, providing insights to improve educational outcomes.

CERTIFICATIONS

- | | |
|--|------|
| • Essentials of Python Programming (CISCO) | 2023 |
| • Python Fundamentals (Springboard Infosys) | 2024 |
| • Database Management System Part 1 (Springboard Infosys) | 2024 |
| • Introduction To Data Science (CISCO) | 2025 |

EDUCATION:

10 + 2(CBSE)
Army Public School , Bhopal
2022

Bachelor of Technology – CSE Data Science
Lakshmi Narain College of Technology Excellence, Bhopal
2022–2026

SKILLS:

- **Languages** : Python
- **Frameworks** : Flask ,Streamlit ,TensorFlow
- **Data Analysis**
- **Machine Learning**
- **Tools** : Git ,GitHub
